# MIDLAND GENERAL — SERVICES

## ONE-MAN-OPERATED VEHICLES HAVE BEEN INTRODUCED ON A NUMBER OF OUR ROUTES

"Pay on Entry" signs are displayed on the vehicles and the driver collects fares and issues tickets as you board the bus. Passengers are requested to be ready to purchase tickets promptly, state their destination and tender the correct fare if at all possible.

Passengers wishing to alight should rise in good time, and, if another passenger has not already done so, ring the bell **once**.

Your kind co-operation in these matters will help to ensure that the services concerned continue to operate smoothly and efficiently.

The Tramway Museum at Crich is of equal interest to old and young alike. No collection of dusty relics this, but gleaming trams, painted and polished with loving pride, and operating over an increasing length of track.

During the late summer months, Matlock Venetian Fete presents an enchanting picture with decorated gondolas on the river and paths and trees transformed with fairy lights.
