Half fare travel for Unemployed people

The travel aid scheme is available to all registered unemployed persons in receipt of unemployment benefit and men over 60 who are in receipt of automatic credits for National Insurance contributions.

If you qualify and live in Derbyshire, get hold of a copy of the travel aid scheme leaflet from your local library and complete the application form. If you sign on weekly or fortnightly you can purchase a 28 day Travel Aid ticket for 50 pence. If you sign on once every 3 months or excused from signing on a 13 week (quarterly) ticket for £1.50 is available.

This ticket will entitle you to travel on almost all local bus and rail services, at half the adult fare, within Derbyshire and to may places in neighbouring counties. Your ticket is valid at all times, except some limited restrictions on two of the rail services, and after 9.45 pm you will not be able to purchase a half price ticket on most buses.

The travel aid scheme is available to all registered unemployed persons in receipt of unemployment benefit and men over 60 who are in receipt of automatic credits for National Insurance contributions.

If you qualify and live in Derbyshire, get hold of a copy of the travel aid scheme leaflet from your local library and complete the application form. If you sign on weekly or fortnightly you can purchase a 28 day Travel Aid ticket for 50 pence. If you sign on once every 3 months or excused from signing on a 13 week (quarterly) ticket for £1.50 is available.

This ticket will entitle you to travel on almost all local bus and rail services, at half the adult fare, within Derbyshire and to may places in neighbouring counties. Your ticket is valid at all times, except some limited restrictions on two of the rail services, and after 9.45 pm you will not be able to purchase a half price ticket on most buses.

CHESTERFIELD DIAL-A-BUS

The Chesterfield Dial-a-Bus service is designed for all those who cannot use public transport because of mobility difficulties. Specially equipped vehicles with wheelchair lifts, folding wheelchairs, and other facilities take disabled people from their homes into Chesterfield and back. Volunteer escorts are also available, if required, to help passengers while they are away from the bus. Simply inform the booking clerk and arrangements will be made for an escort AT NO EXTRA COST. The service is operated by RINGWOOD COACHES of Staveley on behalf of the County Council.

HOW DOES THE SERVICE OPERATE

The area covered by Dial-a-Bus is divided into five routes, serving the whole of Chesterfield Borough, plus surrounding area. Each route is served on one day per week with a morning and afternoon service into town, which gives passengers the added opportunity of an all day visit to the town centre should they wish to do so. Each route is served on a different day each week (Monday to Friday) and also on certain Saturdays. Details of the routes served are published weekly in the "Advertiser".
