INTRODUCTION

This timetable has been compiled by Derbyshire County Council in co-operation with the transport operators to include all bus services operating in Chesterfield Borough, North East Derbyshire and Bolsover Districts (with the exception of Wessington and South Normanton areas).

To present a complete guide to all public transport services in the area local rail services are included and also Long Distance Express Coach Services and Inter City Rail Services from North East Derbyshire.

Services are liable to alteration at short notice, and wherever possible announcements of such changes will be made by notices in buses, the local press and by leaflet available on the Operator's offices. To keep this timetable fully up to date amendment booklets will be published by the County Council to coincide with major service changes. You may post the voucher on page 201 to receive copies free of charge.

DE-REGULATION OF BUS SERVICES

As part of the Transport Act 1985 the bus operators have had to register the journeys that they can operate commercially from October 1986. Derbyshire County Council has covered most of the journeys and services not registered with buses which will operate under contract to the County Council. These are identified in the timetable pages by a  symbol, and buses will display a common route number even when another company is running a particular journey.

A GENERAL GUIDE TO THE CONDITIONS OF CARRIAGE AND PASSENGER REGULATIONS

The information set out below is intended to be a general guide to the Regulations and Conditions (including Children's Fares) of the Bus Operators whose timetables are included in this Booklet. Full details are available for inspection at the Offices of the Operators concerned. For addresses see page 3.

OPERATION

Although the Operators make every effort to operate their services on time it is sometimes necessary to alter or withdraw certain journeys without prior notice.

The timings shown in the Operator's timetables are approximate and even though they make every effort to arrive on time and complete any journey operated, their vehicles may be delayed or not operate.

The Operators are not liable for any delay, loss, damage or personal injury however caused whilst passengers and their belongings are carried on any of their services.

PASSENGERS LUGGAGE

Any luggage you take onto an Operator's vehicle is carried entirely at the passengers own risk. Small pushchairs and invalid wheelchairs will be conveyed if they fold away neatly and there is space available.

Bulky, dangerous or offensive items will not be carried.

DOGS

Small dogs accompanied by an adult are allowed on the Operator's vehicles at owners risk. Please keep your dog off the seats and do not let it cause a nuisance.

A charge is normally made for carrying dogs except for Blind persons' guide dogs which are usually carried free of charge.

RADIOS

Please have consideration for other passengers and do not play any radios or other musical instruments on the bus.

LOST PROPERTY

Regulations have been made by the Minister of Transport under P.S.V. Lost Property Regulations 1978 dealing with property left on Public Service Vehicles.

Any person who finds property accidentally left on a bus should hand it as he finds it to the Driver or Conductor who will hand it on to the Operator concerned.

To claim Lost Property the passenger should contact the nearest Office of the Operator of the bus travelled on. A fee will be payable as laid down under the Lost Property Regulations 1978.

TICKETS

Any ticket purchased is only valid for travel by the person for whom it is bought.

If any part of a journey is travelled the ticket cannot be used to complete it at a later time. Day Return Tickets (where available) are only valid for return on the same day as purchased.

A ticket must be produced for inspection by a Driver, Conductor, Inspector or other Official having cause to examine your ticket.

If a ticket becomes damaged and cannot be read it will not be accepted for travel. If lost a refund cannot be made.

Passengers should ensure that they receive a ticket showing the fare paid. It is an offence to avoid paying the proper fare for the journey taken.

REFUNDS

Refunds are not made on unused portions of return tickets purchased.

CHILDREN'S FARES

Most Operators charge children from 5 to 14 years half fare. In Derbyshire children over 14 may qualify for a half fare pass. Pick up a leaflet in your local library or school.

Half fare travel for Unemployed people

The travel aid scheme is available to all registered unemployed persons in receipt of unemployment benefit and men over 60 who are in receipt of automatic credits for National Insurance contributions.

If you qualify and live in Derbyshire, get hold of a copy of the travel aid scheme leaflet from your local library and complete the application form. If you sign on weekly or fortnightly you can purchase a 28 day Travel Aid ticket for 50 pence. If you sign on once every 3 months or excused from signing on a 13 week (quarterly) ticket for £1.50 is available.

This ticket will entitle you to travel on almost all local bus and rail services, at half the adult fare, within Derbyshire and to may places in neighbouring counties. Your ticket is valid at all times, except some limited restrictions on two of the rail services, and after 9.45 pm you will not be able to purchase a half price ticket on most buses.

CHESTERFIELD DIAL-A-BUS

The Chesterfield Dial-a-Bus service is designed for all those who cannot use public transport because of mobility difficulties. Specially equipped vehicles with wheelchair lifts, folding wheelchairs, and other facilities take disabled people from their homes into Chesterfield and back. Volunteer escorts are also available, if required, to help passengers while they are away from the bus. Simply inform the booking clerk and arrangements will be made for an escort AT NO EXTRA COST. The service is operated by RINGWOOD COACHES of Staveley on behalf of the County Council.

The area covered by Dial-a-Bus is divided into five routes, serving the whole of Chesterfield Borough, plus surrounding area.
