INTRODUCTION

This timetable has been compiled by Derbyshire County Council in co-operation with the transport operators to include all bus services operating in High Peak and West Derbyshire (excluding the area south of the A515). Services in the adjoining areas of the Peak Park in Cheshire, Staffordshire and South Yorkshire are also included.

To present a complete guide to all public transport services in the area local rail services and regular express coach services accross the area are provided.

Services are liable to alteration at short notice, and wherever possible announcements of such changes will be made by notices in buses, the local press and by leaflets available in the Operator's offices.

To keep this timetable fully up to date amendment leaflets will be published by the County Council to coincide with major service changes. You may post the voucher on page 141 to receive copies free of charge.

Please note that some of the smaller bus operators may not display service numbers. Those shown in this timetable are for reference purposes only.

DE-REGULATION OF BUS SERVICES

As part of the Transport Act 1985 the bus operators have had to register the journeys that they can operate commercially from October 1986. Derbyshire County Council has covered most of the journeys and services not registered with buses which will operate under contract to the County Council. These are identified in the timetable pages by a  symbol, and buses will display a common route number even when another company is running a particular journey.

Half fare travel for people under 19

From October 26, 1986 more teenagers than ever before will benefit from half-price travel on buses and trains.

Derbyshire County Council is issuing passes to anyone from the age of 14 up to their 17th birthday

AND

anyone in full time education at a local authority maintained school or college from the age of 17 up to their 19th birthday.

The passes can be used at most times of the day for almost all journeys in and around the county.

If you live in Derbyshire and think you qualify, get an application form from your school, college, library, youth and community centre or careers office.

Half fare travel for Senior Citizens and Disabled People

The following Derbyshire residents qualify for half fare travel:

Men aged 65 or over

Women aged 60 or over

Registered blind

With mental handicap

Suffering from a disability which seriously impairs their ability to walk. This includes those who receive a mobility or attendance allowance, people registered under the Orange Badge Scheme and others who can produce a doctor's certificate.

If you qualify, obtain your permit from your Local District Council. For details, see separate leaflet available from your local library.

Your permit entitles you to travel at half the adult fare on almost all bus and rail services in Derbyshire and to many places in neighbouring counties. Your permit is valid at all times, except some limited restrictions on two of the rail services.

Holders of Blind Persons permits travel free on all journeys covered by the scheme.

**Jointly financed and administered by Derbyshire County Council
and all District Councils in Derbyshire.**
